to the Comptroller of Mysore, Bangalore.

Your D.O. No.320/Rys dated 21-12-'22 re: Shift of Audit
Office to Mysore.

I enclose herewith the Government Order, sanctioning the alterations to Exhibition buildings for the location of the Audit Office at Mysore communicated to me through the Financial Department and the buildings will be completely ready for occupation by the end of February 1923 so that this office will be held in Mysore on 1st March 1923.

The question of shifting all Railway Offices to Mysore was -- decided long ago by Government and this move is a necessary - - consequence of that order.

As regards accommodation, I have arranged to secure about 23 houses for the men and I am on the look out for more.

As you are aware the financial stringency stands in the way of building more houses, but gradually more houses will be built when the situation is eased. The Agent is convinced of the necessity of housing the men properly and will take early steps to build more.

I do not entertain any fear about trained men dropping off. Of -- course a few will necessarily stay away and I think I can get - - competent material easily to replace them as these will be mostly from the 25 Rupees class.

No leave is now being granted to anybody as much work remain to be done in addition to keeping things ready for a shift except in the case of illness or some other sufficient reason.

As regards Messrs Srikantiah and Anantaramiah, the latter is doing office work in Expenditure Section pulling up Workshop Account -- reconciliation and the former will be taken to the Head Office vice Mr. K.S.Narayana Iyer who is to be an I.T.A. pending his deputation.

I also intend to concentrate all out-door staff at Mysore
so that they may be under proper control and as there is -
Railway connection from Mysore both to Arsikere and Bangalore
such an arrangement is fraught with advantage.

Sir,

With reference to your letter No.F.L.3449 G.F.14-22-10 dated 30th January 1923 regarding advance of pay; I have the honour to state that with regard to the 1st point, all the permanent non-pensionable and pensionable officials of the office of the Loco & Carr. and Wagon Superintendent were given an advance of two months' pay each subject to the limitation in the case of the non-pensionable officials that they should have sufficient amount at their credit in the Provident Fund account to cover the advance or else should be allowed only one month's advance and that the amount advanced should be recovered in twelve monthly instalments (Vide Government Order No.1089 dated 31-10-1922 communicated by the Financial Department with No.2005 dated 2-11-1922).

As regards the 2nd point no Gazetted officer was given advance of pay on this occasion. But the Agent sanctioned advance of one month's pay recoverable in three equal monthly instalments to Mr. H. Rangachar, Assistant Traffic Superintendent when his office was shifted to Shimoga from Mysore and to Mr. K. Gundappa when posted to Bangalore as Assistant Traffic Superintendent under item No.10 of the schedule of his powers. These are the only two instances in which Gazetted Officers have been ---

P. T. O.

paid advances.

The staff of the Railway Secretariat and of the Chief-Store-Keeper were also given advance of two months' pay when those offices were shifted.

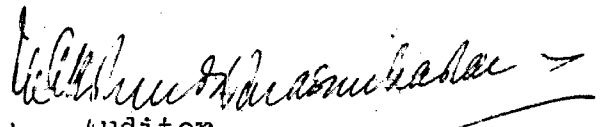

In these circumstances I request that the sanction of Government may be obtained and communicated ^{to me} early.

The rules regarding grant of advance of pay on transfer do not differentiate between Gazetted and non-Gazetted officers and the concession of recovering the advance in 6 monthly instalments instead of in 3 months was submitted for sanction of Government as it would be a source of material help.

I have the honour to be,
